

ABOUT THIS **EVENT**

The Recycling Collection Event is a twice-a-year event that allows Kirkland residents to dispose of recyclable items that are not normally accepted during weekly recycling collection service or through product stewardship programs. Instead of ending up in the landfill if thrown away as trash, all items collected at the event will be recycled. Funding is provided by King County Solid Waste Division and Local Hazardous Waste Management Program in King County.

HAZARDOUS WASTE

Oil-based paint, pesticides, herbicides, solvents, thinners, chemicals, and cleaning products are considered hazardous waste and are **not** accepted at this event. Instead, bring them to the following places for proper disposal:

Factoria Household Hazardous Waste Drop-Off Site
13800 SE 32nd Street, Bellevue
For more information and hours, check out www.lhwmp.org or call (206) 296-4692.

Wastemobile
The roving Wastemobile travels to many communities in King County to provide residents with a place to take their household hazardous waste on a periodic basis. **It will be in Kirkland on May 24-26 at the Fred Meyer on 12221 120th Avenue NE.**

For more event information, alternative formats, or disability accommodations, Kirkland residents can call (425) 587-3812. For King County residents, call (206) 296-4466 TTY Relay: 711.
